Professional rider depicted on closed course. The riders shown are highly skilled, professional riders, and their actions are not intended to be duplicated in any way. Ride within the limits of your skills and experience, never beyond them. Never engage in stunt driving or riding. Avoid excessive speed. Always wear required and/or recommended riding gear. Never drive or ride under the influence of alcohol and/or drugs. Ride safely, respect and protect the environment, and observe all provincial and local laws. Beginners should be extremely cautious and allow extra time and distance for manoeuvring and braking. Yamaha recommends taking an approved training course. Read your owner's manual and product labels, and inspect your Yamaha vehicle before operation. Some U.S. models and/or optional accessories may be shown.
